### 8. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, include particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Director, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,  
By order of the Board  
**Chau Cheok Wa**  
*Chairman*

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the new Repurchase Mandate.

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company was 6,020,818,900 fully paid-up Shares.

Subject to the passing of the resolution granting the new Repurchase Mandate and on the basis that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, the Directors would be allowed under the Repurchase Mandate to repurchase up to 602,081,890 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date, during the period from the date of resolution granting the Repurchase Mandate until the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in general meeting.

## **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders as a whole.

## **3. FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may apply funds legally available for such purpose from distributable profit or funds from a new issue in accordance with its memorandum and articles of association and the laws of the Cayman Islands.

That is to say, any repurchase of Shares may be purchased out of capital paid up on the repurchased Shares or the profits of the Company which would otherwise be available for dividend and, in the case of any premium payable on such repurchase, out of profits of the Company which would otherwise be available for dividend or from the Company's share premium account or its contributed surplus account.

On the basis of the combined net tangible assets of the Group as at 31 December 2016 and taking into account the current working capital position of the Group, the Directors consider that no material adverse effect on the working capital and gearing position of the Group may result in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed purchase period.

The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### **4. EFFECT ON THE TAKEOVERS CODE**

If, as the result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of the Shareholders' interest) could as a result of increase of its or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

Assuming that no further Shares will be allotted and issued or repurchased from the Latest Practicable Date to the date of the AGM, on exercise in full of the Repurchase Mandate, the number of issued Shares will decrease from 6,020,818,900 to 5,418,737,010.

As at the Latest Practicable Date, Fame Select Limited held 4,345,489,489 Shares, representing approximately 72.17% of the issued Share capital of the Company.

The decrease of issued Shares resulted from the full exercise of the Repurchase Mandate will cause the percentage shareholding of Fame Select Limited to increase to approximately 80.19%. Accordingly, such increase will give rise to an obligation to the part of Fame Select Limited, being the shareholder of the 4,345,489,489 Shares and Mr. Chau Cheok Wa and Mr. Cheng Ting Kong, being the ultimate shareholder of such Shares, to make a mandatory offer under Rule 26 of the Takeover Code. The Board currently has no intention to exercise the Repurchase Mandate to the extent which will trigger a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code.

The Company has no intention to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

## 5. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the previous twelve months prior to the Latest Practicable Date were as follows:-

## 7. GENERAL
